fold this tab back so David stands up

How to make it

1. Color Goliath, David and the five stones.
2. Cut out Goliath and glue him onto a paper cup or tube so he stands tall.
3. Cut out David and fold the tab so he stands on his own.
4. Cut out the stones and write one word on each: God, is, with, me, always.
5. Retell the story and gently toss a paper stone to knock Goliath over!
